

YARN BIRD

Karen Riley

Supplies:

- Yarn in any color or colors
- Cardboard that is easy to cut
- Scissors
- Glue
- Button or googly eye
- Colored paper for wing and beak

Directions:

1. Draw a bird (or use the template below) on to a piece of cardboard and cut out.
2. Cut little slits around the bird shape, about half of an inch apart.
3. Starting at the tail, wrap yarn around the bird, go all the way to the head. Tie off the yarn on the back.
4. Cut out beak and wing with colored paper. Glue the wing, beak and eye to the front.
